

ANGLEŠČINA:8.R/1.SKUPINA

6.TEDEN

Pozdravljeni učenci!

Ker se šolanje na daljavo podaljšuje, prehajamo na nov sistem oz. program: Microsoft Teams.

Tisti, ki ste se že vpisali, ste bili že dodani skupini ANGLEŠČINA-8.R/1.SKUPINA in lahko vse priprave, gradiva, naloge vidite v programu.

Tisti, ki se še niste uspeli vpisati, pa vam pošiljam

**KODO ZA VPIS:** veg7skv

Gradiva ne bomo več objavljali po dnevih, prav tako se z današnjim dnevom končuje objavljanje na šolski spletni strani.

Spodnje gradivo je pripravljeno za **cel teden**. Razporedite si ga lahko sami in si s tem olajšate delo in organizacijo.

**NALOGE:**

Pripravila sem vam preverjanje novega časa.

**Preverjanje naredite do konca tedna in ga pošljite po e-pošti.**

Učni list rešujte za vajo (nič hudega, če vam vseh vaj ne bo uspelo rešiti; namenjene so utrjevanju snovi). UL ni potrebno pošiljati v pregled.

Preverjanje sem vam v programu Teams pripela tudi v kanal UČNI LISTI (kot Wordov dokument).
